## **Purpose of the Texas Lacy Game Dog Association**

Lacy owners possess a powerful combination of appreciation, respect, and affection for these amazing animals. These individuals comprise the membership of the Association, and they are dedicated to preserving the breed, which almost disappeared when the Texas economy transitioned from farming and ranching to an industrialized economy.

## **Preservation of the Lacy Breed is accomplished through numerous avenues, including:**

- \* Providing information to potential, as well as existing, Lacy owners.
- \* Providing a forum for all-Lacy events, competition, exhibitions, and seminars.
- \* Joining with the Lacy Game Dog Registry in encouraging all breeders to work their dogs prior to breeding to ensure the excellent working abilities of the breed.
- \* Publicizing the breed through a variety of print and electronic media
- \* Responding to legislative or regulatory issues that could negatively impact the life-style of working dogs.

## **Other Membership Benefits:**

- \* Supporting the Texas Lacy Game Dog Association
- \* Quarterly Association Newsletter: publicize your dog's accomplishments; see what others are doing, and get the latest news on issues affecting Lacy Dogs and their owners.
- \* Website benefits just for members and extra website listings and litter postings for Breeder Members.
- \* Personal Photo Album of your Lacy family to share with other members
- \* Working Lacy events
